MEMORANDUM FOR: Deputy Director of Central Intelligence
Deputy Director for Administration

FROM: [redacted]
Director of Training and Education

25X1

SUBJECT: [redacted] Seminar

25X1

1. We recently ran a [redacted] Seminar; part of an increased effort to bring substantive training to our people in areas of current importance.

25X1

2. Of interest:

--It was done jointly with NSA. We initiated and did the work. NSA provided half the funding and 26 students; CIA had 22 students including [redacted]

25X1

--The format was flexible; the first day was explicitly for [redacted] experts; the second for all levels of knowledge. Most students took both days. A large number of critiques asked for more time.

25X1

--The speakers were drawn from State, DoD, and the universities. Only one speaker from CIA. But OEA helped.

--This exposed CIA people to non-CIA thinking on this problem.

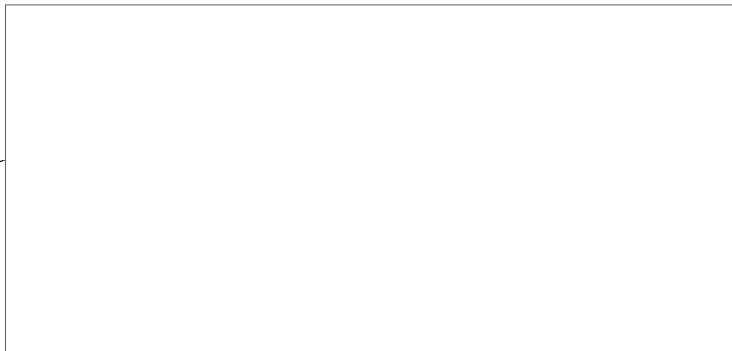

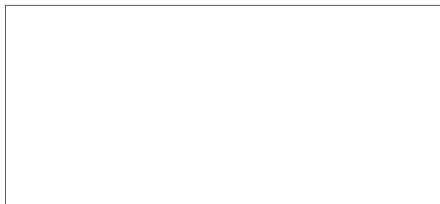

--The class was too big for as much interchange between CIA and NSA students as we would have hoped.

--All the speakers were videotaped, and the tapes are being circulated and sent to the Learning Center.

--Only problem...inadequacy of our classroom space at CofC and lack of proper facility for TV, detracted from an otherwise highly successful effort.
